The Director

JCS Liaison

As you are aware, the Office of the Secretary of Defense (ISA) sent us a copy (two copies in fact) of the OSD response to the twenty-nine questions on Vietnam (NSSM-1), but they did not include the JCS reply, which went forward to the White House as an annex to the DOD response. When I made overtures to ISA re the annex, I was met with polite, non-committal evasion. Hence I was delighted to receive the attached (plus its enclosure) yesterday (24 February). I have called [redacted] both to thank him and to keep this useful fence well mended.

George A. Carver, Jr.
Special Assistant for Vietnamese Affairs
